

LAYETTE NEEDS

Providing for a baby can be overwhelming, especially an unplanned pregnancy. We love to provide new moms with a special gift for their newborn in the form of a layette containing a variety of new or like new baby items and clothes.

“JUST BECAUSE” LOVE BAGS

We also want our clients who are expecting to know they are very loved. Pregnancy is exhausting and emotional, and for some of these women, they have little to no support. We would love to be able to lavish on each of them a “Just Because” Love Bag.
